Hublife

YOUTH INSPIRED NETWORK

Engaging community youth.

Hublife is a network of young people from a wide range of backgrounds. We meet regularly to hang out and have fun through activities like sports, games and music. The network provides a safe space for young people to play games, build community and discuss questions of life and faith.

Interested in joining us? Get in touch! Contact the HubLife Team at St. Christopher's Church on 0121 325 5331 or email youth@springfieldproject.org.uk
